Conditions

- Where a range of items or sizes are involved, this Authorisation applies only to those items or sizes listed in the SA Water Authorised Items Catalogue.
- This Authorisation does not refer to the effectiveness of the product and no claim shall be made through advertising, promotion or in any other way that the above products have been authorised or tested by the corporation in other than the terms of this authorisation.
- The items described above are authorised for use in SA Water's Infrastructure systems, in accordance with the Corporations Construction Documentation, and shall be manufactured under a third party certified Quality Assurance System. All products shall be identified with the manufacturers name or trade mark.
- This Authorisation consent shall be valid for a period of 2 years from the issue date of this certificate. Renewal of the approval should be sought 3 months prior to the approval expiry.
- ACP (Australian Custom Pipes Pty Ltd) shall be responsible for assuring the quality of the approved products that are supplied to the market. Where approved products or parts thereof are manufactured or assembled by a third party, ACP (Australian Custom Pipes Pty Ltd) shall employ systematic procedures to verify product conformance.
- The products shall be manufactured under a third party certified Quality Assurance System. All products shall be identified by the manufacturers name or trade mark.
- The products shall demonstrate satisfactory performance when installed in SA Water's infrastructure system.
- The Corporation shall be notified in writing if;
 - the third party ISO 9001 certification is withdrawn, suspended or changed,
 - any change of the certification agency occurs,
 - there are any changes to product design, materials, model numbers, etc or
 - the products are to be withdrawn from sale.
- The products may be subjected to random quality control checks for which a charge may apply. Compliance with new Standards as they are replaced will need to be demonstrated.
- The Corporation reserves the right to request additional information and/ or evidence of product suitability add or vary to the conditions set out above, or if necessary, modify or withdraw the authorisation.
